

NOTICE OF DELAY

ROAD RESURFACING

West River Road

(City of Cambridge Boundary to Sylvan Drive)

Due to delays in their schedule and the time of year, the Townships contractor, Brantco Construction, is unable to complete the remaining work and deficiency repairs on West River Road this year. Line painting is scheduled to be completed December 3rd, weather permitting.

The Township will monitor road conditions throughout the winter and into the spring. Once asphalt plants open in the spring of 2025 and the weather permits, work will commence to complete all outstanding work and repair deficiencies.

We apologize for any inconvenience this may cause and look forward to working with you in having our contractor complete this project in a professional and timely manner. Should you require further information regarding this project, please contact Public Works at 519-632-8800 or email publicworks@northdumfries.ca.

Thank you in advance for your co-operation and patience.

Location of Road Construction & Speed Hump Installation

(City of Cambridge Boundary to 1316 West River Road, approx. 1.6km)
