

NOTICE OF CONSTRUCTION

Locations:

**Newell Street, Willison Street
to Main Street**

Project Details:

The Township of North Dumfries contractor, Brantco Construction, will be commencing road resurfacing construction for approximately 4-6 weeks (weather depending). These works will include removing and replacing damaged curbs, pulverizing existing road surfacing, re-setting maintenance holes covers and catchbasins, and paving of the top lift of asphalt.

August 8, 2022 – approximately October 2022

Additional project information you need to know:

Driveway Access

Driveway access may be interrupted for minimal periods of time. During the construction, we will make a concerted effort to maintain access to your driveway, however, Staff and Representatives from Brantco Construction will make best efforts to advise residents 48 hours in advance if your driveway will be blocked temporarily. If you are unable to enter the driveway due to construction, please park your vehicle on an adjacent side street or elsewhere to accommodate construction activities.

Parking

To ensure an effective and efficient project, residents are asked to **not** park vehicles on the road between, 6:30 a.m. to 7:00 p.m., during construction. Vehicles impeding the construction will be tagged by the Township's By-Law Enforcement.

Encroachment

Construction may affect private lawn features within the Township boulevard. Homeowners are responsible for removing items such as **gardens, lawn sprinklers, hedges, driveway timber/concrete edges, etc.** to avoid unintentional damage due to the construction. **Sprinkler systems and lawn features mention above that are damaged by the construction work will not be repaired.**

Network Outages

Due to the nature of the work, a network outages may occur on telephone, cable and/or internet services. Please report any outages discovered directly to your service provider.

Sod

Grass boulevards damaged by construction will be repaired. Please note, only the boulevard area impacted by the construction will be repaired as the Township does not provide full boulevard replacement. We appreciate your efforts to water and maintain the new sod.

Waste Collection & Mail Delivery

Waste collection and mail delivery will not be disrupted. Waste is to be placed curbside for collection by our Contractors on the regularly scheduled day by 7 am. The contractor will move the material to a designated collection area on your behalf. Please ensure that you label your containers with your municipal address so they may be returned to you. Please note that containers will be returned by the end of the Contractor's day.

Note

Residents are advised that entering into a contract with contractors working on the Township's project for additional work on private property shall be done at the homeowner's discretion. The Township **cannot be involved** with any private contracts.

Contact

We look forward to working with you in having our Contractor complete this project in a professional and timely manner.
