## **NOTICE OF CONSTRUCTION**

### **Greenfield Road Drainage Improvements**

**Northumberland Street, approximately 185 m**

**Greenfield Road Resurfacing, Northumberland Street to CP Rail Tracks, Estimated 125 m**

The Township of North Dumfries's Contractor will be commencing construction work on Monday, September 19, 2022, (weather depending) on Greenfield Road between Northumberland Street, and the CP Rail tracks.

Greenfield Road will include the installation of infiltration works, the installation of curbs and new asphalt pavement. Northumberland Street from 150ft north of the intersection and through the intersection at Greenfield Road, will include road resurfacing.

The Township will take all reasonable measures to ensure a non-intrusive construction process.

During the rehabilitation project, we will make a concerted effort to maintain access to your driveway, however, driveway access may be interrupted should concrete work be required. Staff and the Representatives from Coco Paving will make their best efforts to advise impacted properties in advance if your driveway will be blocked temporarily. **WE RECOMMEND THE USE OF THE NORTHUMBERLAND STREET ACCESS AS IT WILL NOT BE IMPACTED BY THESE ACTIVITIES.**

Waste collection and mail delivery will not be disrupted. Waste is to be placed curbside for collection by our Contractors on the regularly scheduled day by 7 am. If necessary, the contractor will move the material to a designated collection area on your behalf. Please ensure that you label your containers with your municipal address so they may be returned to you. Please note that containers will be returned by the end of the Contractor's work day.

We look forward to working with you in having our Contractor complete this project in a professional and timely manner. Should you require further information regarding this project, please contact Public Works at 519-632-8800 or email [publicworks@northdumfries.ca](mailto:publicworks@northdumfries.ca).

*Thank you in advance for your co-operation and patience.*
