

# NOTICE OF CONSTRUCTION

Tuesday, August 4<sup>th</sup>, 2020

**Willison Street  
Colquhoun Street**

**Elliott Street  
Thompson Street**

The Township of North Dumfries Road Resurfacing Contractor, MSO Construction, will be applying the sealant to the road surface for each of the four (4) roads commencing on Tuesday, August 4<sup>th</sup>, 2020.

The Township will take all reasonable measures to ensure a non-intrusive construction process.

During the application of the sealant, we will make a concerted effort to maintain access to your driveway, however, driveway access may be interrupted for minimal periods of time. Staff and the Representatives from MSO Construction will make best efforts to advise residents in advance if your driveway will be blocked temporarily.

To ensure an effective and efficient project, residents are asked to **not** park vehicles on the road between, 6:30 a.m. to 7:00 p.m., during construction. Waste collection and mail services will not be disrupted.

We look forward to working with you in having our Contractor complete this project in a professional and timely manner. Should you require further information regarding this project, please contact Community Services at 519-632-8800 or email [publicworks@northdumfries.ca](mailto:publicworks@northdumfries.ca).

*Thank you in advance for your co-operation and patience.*
