

The TOWNSHIP of
NORTH DUMFRIES

PUBLIC WORKS

NOTICE OF CONSTRUCTION

ROAD RESURFACING

Stanley Street

(Northumberland Street to Nith River Bridge)

The Township of North Dumfries Road Resurfacing Contractor will be commencing rehabilitation work on your road, including resurfacing of existing asphalt, spot/panel repairs to existing damaged sidewalks and curbs, and installation of new sidewalk on the north side of Stanley Street between Northumberland Street and Tannery Street starting on, Monday, September 20th, 2021, and continuing for an estimated three (3) weeks weather depending. Please note that sidewalk or curb that is in good condition will not be replaced. The Contractor for this project is Brantco Construction.

The Township will take all reasonable measures to ensure a non-intrusive construction process.

During the rehabilitation project, we will make a concerted effort to maintain access to Tannery Street from Stanley Street, however Tannery Street access may be interrupted for a minimal period of time with access only available from Northumberland Street. Staff and the Representatives from Brantco Construction will make their best efforts to advise residents in advance if the access will be blocked temporarily.

To ensure an effective and efficient project, residents are asked to not park vehicles on the road, shoulder or boulevard between, 6:30 a.m. to 7:00 p.m., during construction.

Waste collection and mail delivery will not be disrupted. Waste is to be placed curbside for collection by our Contractors on the regularly scheduled day by 7 am. If necessary, the contractor will move the material to a designated collection area on your behalf. Please ensure that you label your containers with your municipal address so they may be returned to you. Please note that containers will be returned by the end of the Contractor's work day.

We look forward to working with you in having our Contractor complete this project in a professional and timely manner. Should you require further information regarding this project, please contact Public Works at 519-632-8800 or email publicworks@northdumfries.ca.

Thank you in advance for your co-operation and patience.
