CONDITIONS

This Public Works Permit is subject to the following conditions and to any supplementary conditions established by the Township of North Dumfries at the time of issue:

<ol style="list-style-type: none">1. This permit is subject to all Municipal By-laws.2. The applicant is required to contact Public Works prior to the start of work at publicworks@northdumfries.ca.3. A minimum of 72 hours notice must be provided via email to publicworks@northdumfries.ca prior to commencement of work.4. No work shall be started before a Public Works Permit for the work has been issued by the Township of North Dumfries.5. If this permit expires before the work is accepted, and is not renewed for any reason, all work constructed, maintained or operated under this permit shall, if the Township so requests be removed without expense to the Township and the road shall be left in as good as it was before the said works were installed or constructed.6. The permit must not be assigned or transferred from one owner to another. Each new permit is subject to the conditions applying at time of issue without expression of written consent from the Township of North Dumfries.7. Any permit may be cancelled at any time for breach of the regulations or conditions of the permit or for such reasons as the Director of Engineering & Public Works (or designate) in their discretion deems proper.	<ol style="list-style-type: none">8. If during the life of this permit any acts are passed or regulations adopted which affect the rights and privileges herein granted, the said acts or regulations shall be applicable to this permit from the date which they come into force.9. The design and specifications of the construction must not be changed without the approval of the Township.10. Trees, shrubs, etc. on the right-of-way of a road must not be cut, trimmed, replaced or planted without the written permission of the Township or its duly authorized agent.11. The applicant is responsible for the construction, marking and maintenance of the detours required and for maintaining safety measures for the protection of the public during the construction of any works in respect to this permit.12. The applicant is responsible for ensuring all utility/service locates have been completed and are valid, prior to the commencement of the construction.13. All work shall be constructed in accordance with the Township of North Dumfries requirements.14. The property owner shall engage an insured contractor. The contractor shall provide the municipality with proof of liability insurance of a minimum of two million dollars (\$2,000,000), listing the Township of North Dumfries as additional insured, prior to release of the approved permit.
