Night protection	<input type="checkbox"/>	Temporary lighting (during construction)	<input type="checkbox"/>
Day protection	<input type="checkbox"/>	<b>No protection required</b>	<b>X</b>
Transport Canada's comments:			
Inspector's name: Zachery Premate		Assessment date (yyyy-mm-dd): 2025-12-19	

**Note 1:** This determination expires 18 months from the date of issuance, unless construction has commenced, an extension is requested at least 15 days before the expiry date, or the determination is terminated earlier by TC.

**Note 2:** If there is any change to the intended installation, a new submittal is required.

**Note 3:** This form does not constitute authority for construction. Nor does this form replace any approvals, permits, assessments or licenses required by NAV CANADA, Innovation, Science and Economic Development (ISED) Canada, other Federal Government departments, Provincial or Municipal land use authorities or any other agency from which approval/assessment is required.
