RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "Stage 1-2 Archaeological Assessment 2495 Spragues Road, North Dumfries Part of Lots 24 and 25, Concession 7 and Road Allowance between Lots 24 and 25, Geographic Township of North Dumfries, Historical County of Waterloo now the Regional Municipality of Waterloo, Ontario ", Dated Mar 10, 2025, Filed with MCM on Mar 14, 2025, MCM Project Information Form Number P389-0691-2024, MCM File Number 0021180

Dear Walter Frank McCall (P389):

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.¹ This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment of the study area as depicted in Figure 3 of the above titled report and recommends the following:

Given that the Stage 2 survey did not identify any archaeological sites requiring further assessment, it is recommended that no further archaeological assessment is required for the Study Area.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 *Standards and Guidelines for Consultant Archaeologists* and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Stephen Jarrett
Archaeology Review Officer

cc. Archaeology Licensing Officer
Jeremy Hohl, Shear Metal Products
Brenna MacKinnon, Region of Waterloo
