

## ENGINEERING AND PUBLIC WORKS **NOTICE OF CONSTRUCTION**

### **Locations:**

#### **Thompson Street**

### **Project Details:**

The Township of North Dumfries contractor, Sousa Concrete will be completing Storm sewer and Asphalt improvements on Thompson Street. These works will include installation of Catch Basins, Maintenance Holes, storm sewers and Infiltration galleries. Also included in this project is asphalt road resurfacing and driveway reinstatement.

**Sept 15, 2025 – Sept 26, 2025**, Weather permitting.

*Additional project information you need to know:*

### **Driveway Access**

Driveway access may be interrupted for minimal periods of time. Please Park your vehicle on an adjacent side street or elsewhere to accommodate paving activities. Access to your driveway will be made available at the end of each working day.

### **Parking**

To ensure an effective and efficient project, residents are asked to **not** park vehicles on the road between, 6:30 a.m. to 7:00 p.m., during construction. Vehicles impeding the construction will be tagged by the Township's By-Law Enforcement.

### **Delivery's**

Large trucks and tractor trailers will not have access onto Thompson Street during this time. Any shipments using tractor trailers should be scheduled for an alternate entrance.

### **Contact**

Should you require information regarding this project, please contact the Township's Public Works department at 519-632-8800 x136 or email [publicworks@northdumfries.ca](mailto:publicworks@northdumfries.ca). Thank you in advance for your co-operation and patience.
