and/or provide written comments on the proposal and/or may make verbal representation at the time of the meeting.

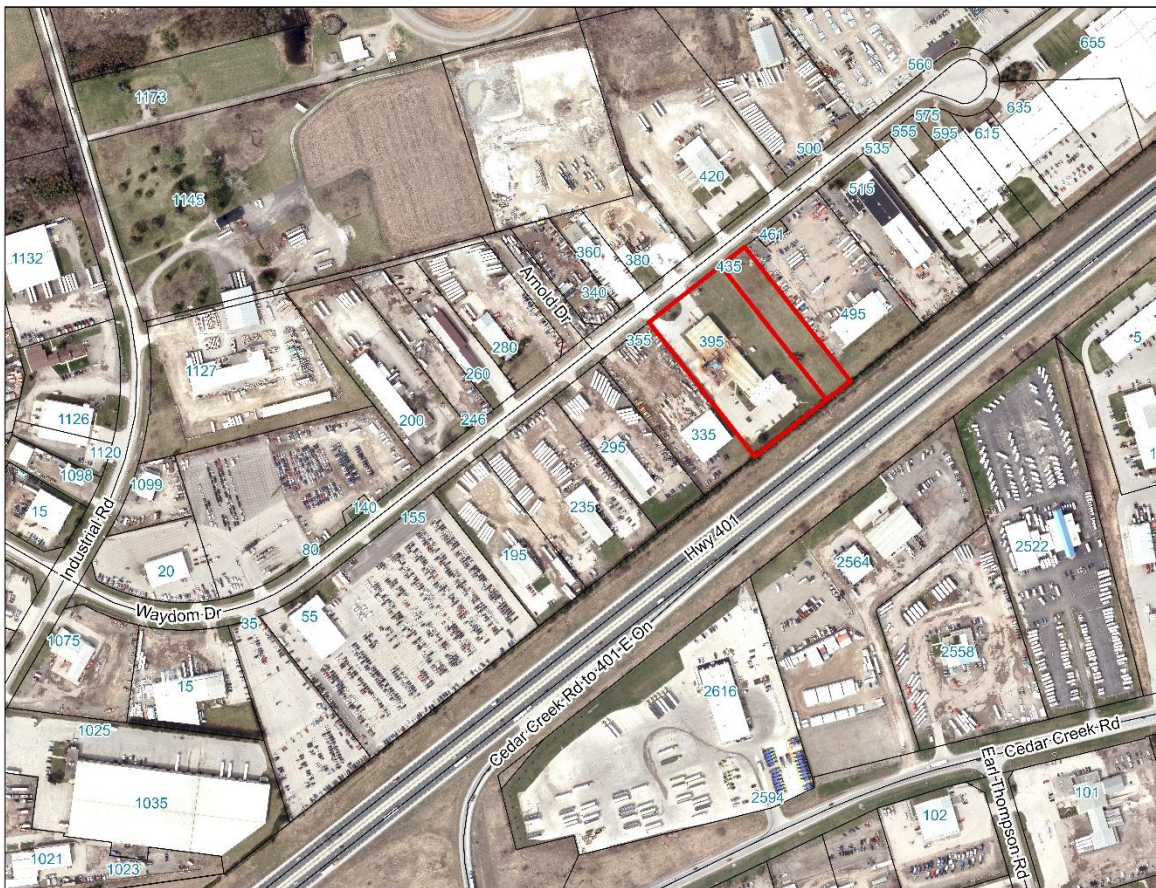

Location & Property Context:

The two properties are located adjacent each other and are situated within an existing Employment Area, immediately north of Highway 401, south of Roseville Road, and east of Industrial Road.

395 Waydom Drive has an approximate lot area of 15,617.70 square metres (1.56 hectares) and a corresponding lot frontage of 91.44 metres (300 feet) onto Waydom Drive. 435 Waydom Drive, located to the immediate east of the 395 Waydom Drive, has an approximate area of 5,205.95 square metres (0.52 hectares) and a corresponding lot frontage of 30.48 metres (100 feet) onto Waydom Drive.

395 Waydom Drive is developed with an industrial building and associated parking. However, its septic bed is located within the lot boundary of 435 Waydom Drive. 435 Waydom Drive is currently a vacant parcel of industrial land, except for the existing septic bed, which is situated at the rear of the lot. Both properties are under the same ownership and have historically functioned as a single parcel.

Purpose and Effect of the Planning Applications:

The purpose of the proposed consent applications (B-01/25 and B-02/25) is to convey lands as a lot addition between both neighbouring properties in order to ensure that the existing septic bed serving the industrial building at 395 Waydom Drive is entirely contained within its own lot boundary and to widen the frontage of 435 Waydom Drive to increase its overall lot size, accommodating a future development of an industrial building, associated parking, and private servicing infrastructure. The proposed lot addition to 435 Waydom Drive is intended to offset the land being transferred to 395 Waydom Drive, which contains the septic bed that services the building on the adjacent lot.

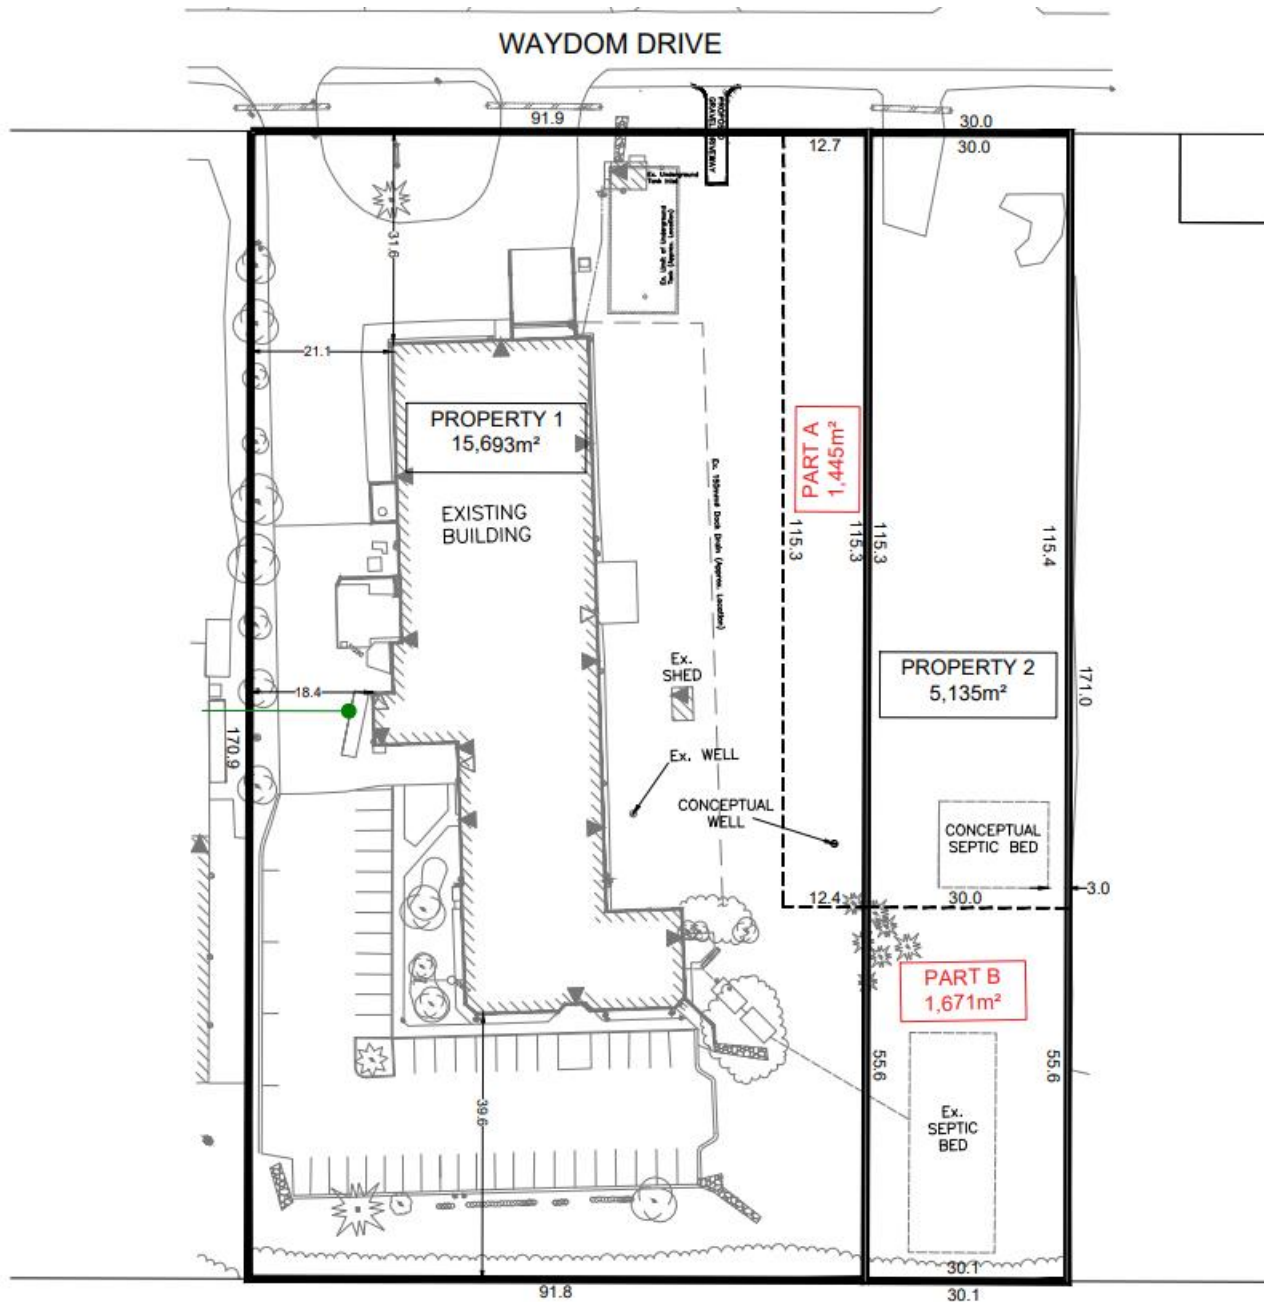

The following Consent Applications have been submitted to facilitate the proposed lot line adjustments:

- **Application No. B-01/25 (395 Waydom Drive):** Proposes to convey approximately 1,445 square metres from 395 Waydom Drive to 435 Waydom Drive as a lot addition (identified as Part A on the Consent Sketch).
- **Application No. B-02/25 (435 Waydom Drive):** Proposes to convey approximately 1,671 square metres from 435 Waydom Drive to 395 Waydom Drive as a lot addition (identified as Part B on the Consent Sketch).

The properties are both zoned Z.11 – Industrial and are designated Dry Industrial/Commercial on Map 2.27 of the Township Official Plan and located within Highway 401/Regional Road 97 Employment Area.

The proposed consent sketch is provided on the following page:
