

ENGINEERING AND PUBLIC WORKS **NOTICE OF CONSTRUCTION**

Locations:

Bute Street & McRae Street

Project Details:

The Township of North Dumfries contractor, Robert M Simon Construction will be completing Storm sewer and Asphalt improvements on Bute and McRae Streets. These works will include installation of Catch Basins, Maintenance Holes, storm sewers and Infiltration galleries. Also included in this project is asphalt road resurfacing, new curbs and sidewalk and driveway reinstatement.

On or about - Aug 10, 2026 – Oct 30, 2026.

Additional project information you need to know:

Driveway Access

Driveway access may be interrupted for minimal periods of time. Please Park your vehicle on an adjacent side street or elsewhere to accommodate paving activities. Access to your driveway will be made available at the end of each working day.

Parking

To ensure an effective and efficient project, residents are asked to **not** park vehicles on the road between, 6:30 a.m. to 7:00 p.m., during construction. Vehicles impeding the construction will be tagged by the Township's By-Law Enforcement.

Delivery's

Large trucks and tractor trailers will have limited access onto Bute and McRae Street during this time. Any shipments using tractor trailers should be scheduled with the onsite Site Superintendent.

Contact

Should you require information regarding this project, please contact the Township's Public Works department at 519-632-8800 x136 or email publicworks@northdumfries.ca. Thank you in advance for your co-operation and patience.
