**Location & Property Context:**

The subject property is located on the east side of Seaton Road, south of the intersection of Morrison Road and Seaton Road, as shown on the location map below.

The property is municipally addressed as 1580 Seaton Road. The lot is 2.5 acres (10,370 m<sup>2</sup>) in size with a corresponding lot frontage of approximately 60 m (196.8 ft) onto Seaton Road.

The subject property consists of a one-storey single detached dwelling and an accessory building on private services. Surrounding land uses are primarily agricultural and rural residential in nature.

**Purpose and Effect of the Planning Applications:**

The purpose of the proposed Minor Variance application is to facilitate the construction of a coach house and a single-storey accessory building in the rear yard of the subject property. The accessory building, intended to be a garage, will be attached to the proposed coach house.

The proposed accessory garage will be 7.74 m x 10.45 m (25.4 ft x 34.3 ft) in size with a total area of approximately 80.9 m<sup>2</sup> (871.6 ft<sup>2</sup>).

The proposed coach house is irregularly shaped and will have a total area of approximately 159.8 m<sup>2</sup> (1,720 ft<sup>2</sup>). A basement is also proposed within the coach house.

The building height of the proposed coach house is proposed to be 7.47 m (24.5 ft) and will exceed the maximum permitted coach house height of 6.1 m (20 ft) but not the height of the principal dwelling.

The Zoning By-law permits a maximum accessory building size of 40% of the footprint of the principal dwelling, or 110 m<sup>2</sup> (1,184 ft<sup>2</sup>), whichever is less. In this case, the principal dwelling has a footprint of approximately 321.8 m<sup>2</sup> (3,463.8 ft<sup>2</sup>), of which 40% equates to approximately 128.7 m<sup>2</sup> (1,385.3 ft<sup>2</sup>). As this is greater than 110 m<sup>2</sup>, the lesser value of 110 m<sup>2</sup> applies in accordance with the Zoning By-law. A variance is therefore required to permit the proposed development.

The proposed development will be accessed using the existing driveway entrance on Seaton Road. A concept plan is attached to this Notice for review.

The property is zoned Z.1 – Agriculture with site-specific zoning exemption 20.1.226 in General Zoning By-law 689-83.

The following minor variances are being requested by the Owner from General Zoning By-law 689-83 as set out below:

**Notice of Statutory Public Meeting  
Minor Variance Application A-09/26**

---

1. Section 6.40.7 of General Zoning By-law 689-83 permits a maximum coach house size of 110 m<sup>2</sup>. The Owner seeks relief from this provision to permit a coach house with a maximum area of 159.8 m<sup>2</sup>, representing an increase of 49.8 m<sup>2</sup> above the maximum permitted size.
2. Section 6.40.8i) of General Zoning By-law 689-83 establishes that the coach house must not exceed a height of 6.1 m. The Owner seeks relief from this provision to permit the coach house to have a building height of 7.47 m, a relief of 1.37 m.
3. Section 6.40.10 of General Zoning By-law 689-83 establishes that a basement is not permitted within a coach house. The Owner seeks relief from this provision to permit a basement within the coach house.
